ARTWORK "8"

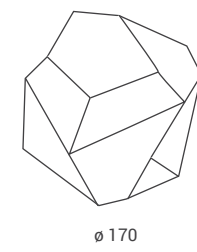

ARTWORK ARTWORK

1B4M000120

L'inconfondibile patchwork Missoni diventa un oggetto d'arte per la casa. Moduli asimmetrici rivestiti da maglie e tessuti negli iconici grafismi in diversi materiali come lane pregiate, fili di lame, fili fiammati, sono assemblati con otto tessere come un prezioso mosaico, su di grande struttura in mdf laccata.

The unique Missoni patchwork becomes an art object for the home. Asymmetric modules covered with iconic knits and fabrics in different materials such as precious wools, lame threads, flame threads, are assembled like mosaic tiles on a large lacquered mdf structure.

L'inconfondibile patchwork Missoni diventa oggetto d'arte per la casa. L'art work e' composta da una struttura in PLA stampato 3D. Un piccolo gioiello composto da sedici tessere tridimensionali in vari tessuti e grafiche tipiche della Maison e rifinito con una cornice di metallo. Come sfaccettature di una pietra preziosa, i moduli utilizzati in tessere rivestite di tessuto non sfoderabile ne esaltano la dinamicità.

The exclusive Missoni patchwork becomes an art object for the home. The artwork is composed of a 3D printed PLA structure. A small jewel composed of three-dimensional tiles in various fabrics and typical graphics of the Maison and framed by metal finishing. Like facets of a precious stone, the modules used in tiles covered with non-removable fabric enhance its dynamism

CORDULA

POLTRONA ROTONDA ROUND CHAIR

design by
MISSONI STUDIO
Made in Italy

Materiali - Materials

Struttura: tondino in acciaio inox curvato a mano, finitura spazzolata

Rivestimento: corda in PET HT a motivo chevron multicolor

Piedini: in gomma antiscivolo e antigraffio

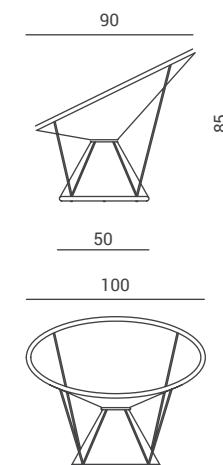

Structure: hand-curved stainless steel rod, brushed finish
Covering: PET HT rope with multicolour chevron motif
Feet: non-slip and non-scratch rubber

Essenziale, funzionale, ariosa. La poltrona ellittica prende forma da 3 anelli di acciaio incurvato sovrapposti e intelaiati da corde a micro-zigzag multicolor appositamente progettate e annodate a mano. La struttura design robusta e il materiale impermeabile rendono la seduta ubiqua, da interni e da esterni.

Essential, functional, airy. This elliptical armchair takes shape from 3 overlapping curved steel rings and framed by hand-knotted multicolour micro-zigzag rope. The sturdy design structure and waterproof material make the chair ideal for indoor and outdoor.

ART GLASS

TAVOLINO LOW TABLE

Ø50: 1A4M000004
 Ø65: 1A4M000005
 Ø90: 1A4M000006

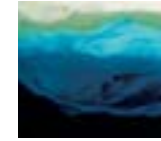

Luminosità e tecnica artigiana. I suggestivi tavolini in resina su vetro sono frutto di tecniche artigiane. Il piano tondo e sfavillante alterna mix di sfumature infuocate, blu cielo e dark. L'effetto scenografico è dato da resine pigmentate colate in vari strati sopra il vetro. La movimentazione manuale della materia crea un pattern decorativo di alto valore estetico e profonda luminosità. Lucidatura a mano. Poggia su struttura in metallo con gambe ad ellisse. 3 dimensioni e 3 set di colorazioni.

Luminosity with artisan technique. The evocative resin on glass coffee tables are the result of artisan techniques. The round gleaming top alternates a mix of fiery shades, sky blue and dark. A scenographic effect is achieved by pigmented resins cast in various layers over the glass. The material is handled manually and this results in a decorative pattern of high aesthetic value and deep luminosity. Polished by hand, it rests on a metal structure with ellipse profile legs. Available in 3 sizes and 3 set of colours.

CORDULA

TAVOLINO ROTONDO LOW ROUND TABLE

1C4M000032

Dettaglio Detail

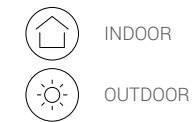

CORDULA

TAVOLINO ROTONDO LOW ROUND TABLE

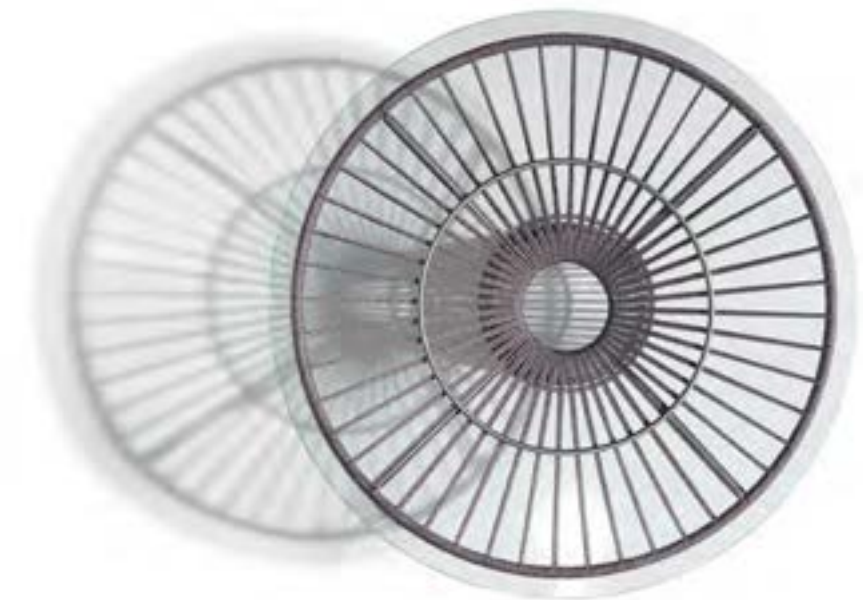

design by
MISSONI STUDIO
Made in Italy

Materiali - Materials

Struttura: tondino in acciaio inox curvato, finitura spazzolata, verniciata in abbinamento alla corda
Rivestimento: corda in PET HT a motivo chevron multicolor
Piano d'appoggio: vetro extra chiaro
Piedini: in gomma antiscivolo e antigraffio

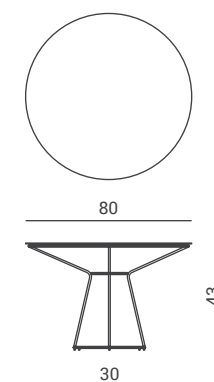

Structure: curved stainless steel rod, brushed finish, painted in combination with the cord colour
Covering: PET HT rope with multicolour chevron motif
Table top: extra clear glass
Feet: non-slip and non-scratch rubber

Corda e cristallo. L'elegante tavolo design in dimensione coffee table ha struttura in acciaio curvato ad anelli sovrapposti e base conica. Corde a micro-zigzag multicolor annodate a mano crea il prezioso intreccio a raggiera che traspare dal piano in cristallo.

Rope and glass. The elegant design of this coffee table has a curved steel Structure: made from overlapping rings and a conical base. Hand-knotted multicolour micro-zigzag rope creates a precious radial weave that can be viewed through the glass top.

GEMMA

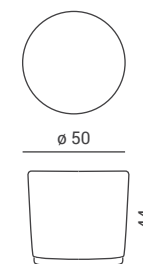

POUF POUF

1W4LV00100

Design essenziale, easy. Il pouf a mezzo cono con la linea pulita e scultorea di un solido ha una seduta confortevole e indeformabile. Da sottolineare la sua stabilità ottimizzata dal sostegno laccato che sorregge e delinea la base. Il rivestimento è a scelta tra le proposte Missoni Home Collection.

Essential, easy design. The half-cone pouf, with the clean and sculptural line of a solid block, has a comfortable and non-deformable seat. The lacquered plinth optimises its stability and emphasises the solidity of the base. The pouf can be upholstered with any suitable furnishing fabric of the Missoni Home Collection.

PUNTASPILLONE

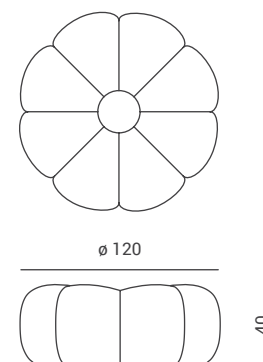

POUF POUF

1T4M000100

Decor e relax (shape da relax). Ispirato alla forma del cuscinetto puntaspilli ma di proporzioni giganti, il pouf è l'allegoria macro del tipico elemento sartoriale. È composto da morbidi spicchi imbottiti di gommapiuma e rivestiti artigianalmente con tessuto a scelta della Missoni Home Collection. Rivestimento posizionato ad arte.

Relaxed decoration (a restful shape). Inspired by the shape of a pincushion, but in giant scale, this pouf is the macro allegory of this typical tailoring tool. It is made up of soft padded segments of foam and upholstered by hand with fabric chosen from the Missoni Home Collection. The fabric design will be artfully positioned.

Combinabile con: Miss Wood sedia - pag. 46
 Combinable with: Miss Wood chair - pag. 46

Naturale, conviviale. Il tavolo che accompagna la sedia Miss ne mantiene le prerogative tecnico-estetiche. In legno massello, di faggio naturalmente venato, è sostenuto da sinuose e robuste gambe a sezione ellittica. L'innovazione strutturale è nel rapporto tra spessore del piano (di soli 3 cm) e la sua superficie (oltre 2mq). Realizzato con processi altamente tecnologici è, al pari della sedia, rifinito a mano, perfettamente levigato e tinto di sfumature. Disponibile in più dimensioni.

Natural, convivial. The table that accompanies the Miss chair maintains the same technical-aesthetic prerogatives. In natural beech grain solid wood, the top is supported by sinuous and sturdy legs with an elliptical profile. The structural innovation is in the relationship between the thickness of the top (only 3 cm) and the surface (over 2 square meters). Made with highly technological processes it is, like the chair, hand finished, perfectly smoothed and tinted. Available in multiple sizes.

Sintesi dell'eleganza. La perfezione della tecnica definisce il legno massello, plasmando le geometrie del tessuto. All'agile eleganza della scultura corrisponde una leggerezza robusta, risultato di un profondo studio del rapporto fra equilibrio e resistenza. Prerogativa straordinaria è l'assenza di spigoli nelle giunzioni del corpo, innovazione che conferisce alla struttura la plasticità di una giunzione organica. Realizzata con processi ad alta tecnologia, è rifinita a mano, levigata e dipinta in delicate sfumature.

An elegant synthesis. The perfection of the technique defines the solid wood and shapes the geometries of the material. The agile elegance of the sculpture is matched by a robust lightness and is a result of a profound study of the relationship between balance and resistance. An extraordinary feature is the absence of edges, an innovation that gives the structure the pliancy of an organic joining. Made with high-tech processes, it is finished by hand, smoothed and painted in delicate shades.

REGISTA

SEDIA CHAIR

design by
MISSONI STUDIO
Made in Italy

Materiali - Materials

Struttura: legno di frassino impregnato a due mani per utilizzo nautico

Sedile e schienale: tessuto per esterno removibile, lavabile secondo le indicazioni riportate sull'etichetta

INDOOR

OUTDOOR

RIVESTIMENTO SFODERABILE
REMOVABLE COVER

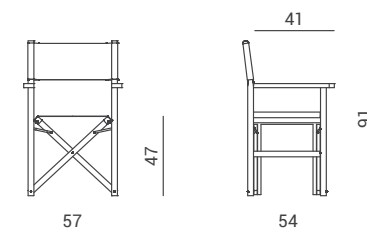

Structure: ash wood, double-impregnated for nautical usage

Seat and back: removable outdoor fabric, washable according to the instructions on the label

Evergreen, funzionale. Semplicità e intrinseca qualità estetica, la sedia da regista è realizzata con struttura in legno di faggio a verniciatura waterproof e ha seduta e schienale in tessuto da outdoor facilmente sfilabili. Rivestimento a scelta tra i tessuti d'arredamento Missoni Home Collection. La sedia è ripiegabile.

Evergreen, functional. Simplicity with an intrinsic aesthetic quality, this director's chair is made of beech wood with a waterproof varnish finish. The outdoor fabric of the seat and back is easily removable and can be chosen from furnishing fabrics of the Missoni Home Collection. Foldable.

A photograph of a sailboat deck, viewed from the front. The deck is made of light-colored wood and features two long, low-profile seating areas on either side of a central table. The seating areas are covered with cushions in a striped pattern of beige, brown, and white. Several matching striped pillows are placed on the cushions. In the center, a dark, rectangular table is visible. A small basket containing items is hanging from the mast. The background shows a vast blue sea under a clear blue sky with a few wispy clouds. In the distance, a range of mountains is visible on the horizon. The overall scene is bright and sunny, suggesting a pleasant day on the water.
